Dear Friends & Neighbors,

As we prepare for another exciting season of recreation and leisure here in the Town of Babylon, I wanted to take a moment to address a matter of significant concern: the erosion issues at Overlook Beach. Despite the challenges we've faced due to recent storms and coastal erosion, I'm pleased to announce that Overlook Beach will indeed be open for business this season.

As a long-time resident of Babylon, I understand the importance of Overlook Beach to our community, serving as a cherished destination for beachgoers and young families alike. That's why the Town Board and I are committed to ensuring its preservation and accessibility for years to come.

In the wake of erosion challenges, I'm pleased to share with you that we have set aside necessary funding needed to mitigate erosion and further protect the facility later this fall. Specifically, we have already earmarked resources to purchase sand from an upcoming Army Corps of Engineers dredging project scheduled for the fall. Additionally, we will soon receive \$2 million from New York State through the Environmental Bond Act to protect existing infrastructure at Overlook. These funds will support ensuring the pavilion and other critical infrastructure is protected from future storms and erosion.

As you well know, Mother Nature has been relentless with coastal storms over the last six months, giving us limited time to thoroughly mitigate these issues prior to this season. While we are glad we will be able to open Overlook for the summer of 2024, please be reassured that more significant work is planned for later this fall.

Thank you for your continued concern about Overlook Beach, and I look forward to welcoming you to all of our parks facilities for a safe and enjoyable season ahead.

See you around town,

Rich Schaffer
Babylon Town Supervisor

Dear Residents and Park Enthusiasts,

I am thrilled to share some exciting news with you regarding our parks and recreational facilities. After some unavoidable construction delays, I'm grateful to finally announce that the long-awaited opening of the brand new Venetian Shores Spray Park. This fantastic addition to our community will provide endless fun and relief on hot summer days, offering families and children a refreshing way to enjoy the outdoors.

In addition to the Venetian Shores Spray Park, I wanted to highlight several other park improvements that have been completed recently. At Pine Acres Park in Deer Park, we've installed new playground surfaces and turf fields, enhancing the safety and enjoyment of this popular recreational area. Furthermore, at Phelps Lane Park in North Babylon, we've invested in new turf in-fields and dual purpose tennis & pickleball courts, providing upgraded facilities for sports enthusiasts of all ages.

We're also dedicated to protecting our shoreline assets, such as Tanner Park, through important stabilization projects. By fortifying these areas, we're ensuring their longevity and resilience in the face of coastal erosion and extreme weather events.

I want to express my gratitude to all those involved in these projects, from our hardworking Town staff to the supportive community members who championed these enhancements. Together, we continue to ensure that Babylon's state-of-the-art facilities are among the best on Long Island, making our community a wonderful place to live, work, and play.

Thank you for your continued support of our parks! I look forward to seeing you enjoy these upgraded amenities throughout the season.

Sincerely,

Antonio Martinez

Eva Rodriguez-Greguski

Commissioner

Parks, Recreation & Cultural Affairs

Welcome to the 2024 season!

Once again, the Parks Department is proud to present our annual Recreation Guide. Over the winter our staff has been working hard on planning programs and activities for residents of all ages across the Town of Babylon.

This year is a special one and this guide reflects that. The theme, "Go for the Gold," honors our American spirit and the 2024 Summer Olympic Games. For the first time ever, the Parks Department will host an Opening Ceremony party, with fun, games and food from around the world.

As always, we have a great lineup of free concerts planned. This year we are expanding our concerts to various community locations outside of Tanner Park, including smaller parks throughout the Town. Check the guide for our new, expanded offerings.

We're also pleased to offer some new programs: a basketball league at Tanner Park; podcasting 101; Athletic and Speed Training Program; and expanded sailing lessons.

And for all residents, we are happy to unveil new tennis and pickleball courts at Phelps Lane Park. Pickleball has taken the country by storm, and the Town of Babylon is happy offer residents more places for outdoor play than ever. Courts can be found at Phelps Lane, Zahn's Park, Sanchez Park, and Tanner Park.

From all of us at the Parks Department, we welcome you back to enjoy the facilities. Have a happy and healthy summer.

Sincerely,

Eva Rodriguez-Greguski
Commissioner of Parks, Recreation, and Cultural Affairs

Morning Swim Lessons - Level Descriptions

Children under age 6 are in classes based on age. Children 6 and older are in classes based on skill.

Pre-Beginners

Introduction to Level 1 skills. Separation class for children ages 3 and 4 ONLY. Parents do not accompany students into pool area. Students will be working on front and back floats, using arms, kicking and streamlines. Classes are held in the Kiddie Pool.

Jellyfish: Introduction to level 1 skills for 3 year olds only, 5:1 ratio

Porpoise: Introduction to level 1 skills for 4 year olds only, 6:1 ratio

*At Fabio Buttitta, swimmers age 3 & 4 will be in a combined class called Jellyfish/Porpoise.

Beginners

Swimmers must be a minimum of 5 years old to participate in the beginner program. Classes meet in the "big" pool. Students will be working on front and back floats, submerging under water and streamlines. Level 1 Introduction to Water Skills:

Shark: Level 1 skills, 5 year olds only, 8:1 ratio

Manatee: Level 1 skills, 6 - 11 year olds, 10:1 ratio

Teen: Multi-level beginner class for 12 - 15 year olds*

*Anyone 16 years of age or older, please see description for Adult Lessons under Specialty Aquatics.

Once a swimmer receives an American Red Cross Level Card, advancement through the levels is based strictly by skill level. Age is no longer a factor. Swimmers MUST provide the appropriate Red Cross Skill Level Card to register for any of the following levels. Each new level builds upon skills learned in the previous level.

Advanced Beginners

Level 2 Fundamental Aquatic Skills: ARC Level 1 card required. Students should be able to float comfortably on front and back prior to starting this class. Students will be working on freestyle and backstroke.

Level 3A Stroke Development: ARC Level 2 card required. Students should have perfected freestyle and backstroke. Students will be working on breaststroke and butterfly kick, jumping into deep water, and beginner diving.

Intermediate Swimmers

Level 3B Stroke Development: ARC Level 3A card required. All level 3A skills will be reviewed. Students will be working on swimming 15 yards of breaststroke and butterfly.

Level 4 Stroke Improvement: ARC Level 3B card required. Swimmers will be doing laps and must be able to swim 25 yards of freestyle, backstroke, breaststroke and butterfly. Students will be working on standing dives, sidestroke, and refining all strokes.

Advanced Swimmers

Level 5 Stroke Refinement: ARC Level 4 card required. Students will be working on all strokes (50 yards) with proper stroke turns, 25 yards sidestroke, racing starts, and treading water for 2 minutes.

Level 6 Personal Water Safety: ARC Level 5 card required. Students will be working on all strokes (100 yards), 500 yard swim, all competitive starts and turns, surface dives, 20-yard underwater swim and treading water for 5 minutes.

Fitness Swimmer: ARC Level 6 card required. This is an endurance based swimming class. Students will be working on warm-ups, stretching, stroke drills, interval swimming, and completing a 500 yard swim. This course is 1 hour.

Lifeguard Readiness: Age 14, ARC Level 6 card or Fitness Swimmer Card required. Students will be working on the 500 yard swim, timed 50 yard freestyle. Basic lifeguarding skills will be introduced. This class covers the pre-skills testing required to get into the ARC Lifeguard Training Course. This course is 1 hour.

Advanced Swimming Programs

The following programs are designed for advanced swimmers that have completed our learn-to-swim program, hoping to pursue a job in the aquatics field. These programs are for mature individuals.

It will be emailed to you along with your receipt once you have successfully registered for the program. Please print, fill out the documents, and mail or fax them to the Aquatics Office by June 20th. If you do not return the documents by this date, you will lose your spot in the program. No refunds will be issued.

Intramural Swim Team

The following program is not meant to take the place of swim lessons, only to add to what is being taught. Focus will be on racing techniques. For specific and individual stroke work, attend regular lessons as well.

****This program is not swim lessons. It is to improve already learned skills.
Swimmers must know all competitive strokes****

Intramural Swim Teams representing the town pools will practice weekly and compete at regularly scheduled swim meets. Practices will be held twice weekly and meets will be held on Saturday mornings at Phelps Lane. The program will conclude with an Annual Championship Swim Meet. Registration is limited to 45 swimmers per team.

Registration

Eligibility: Town of Babylon residents, ages 7 - 16 (age is determined as of September 1, 2024), who are able to swim at least 25 meters unassisted. Swimmers should know ALL competitive strokes before joining swim team. Swimmers that do not know all four competitive strokes will be removed from the team. No refunds will be given.

Registration: Online Only, **Thursday, May 9** - Wednesday, May 22. Please call the Aquatics Office at 631-893-2118 after Wednesday, May 22 if you would like to join one of our swim teams.

Fee: \$85 per swimmer, includes a team shirt and swim suit.

Program Dates: Practice begins the week of July 1, continuing twice weekly, with meets on Saturday mornings, concluding with the Championship Swim Meet on Saturday, August 10. Meet schedule will be emailed to you once you have successfully registered for the program.

Our instructors can help you fight your fear of the water, teach you to tread water, fine tune your freestyle, and everything in-between!

Eligibility: Town of Babylon residents, ages 16 and older. Proof of age and residency required at time of registration.

Registration: Online and walk-in registration is available for residents beginning **Wednesday, May 8.**

Fee: \$45 per person for 10 lessons

Dates: Mondays & Wednesdays, July 1 - July 31

Time: 6:30 pm - 7:30 pm

Location: Anthony Sanchez Pool, West Babylon

**Please note: Spouses/children must pay the daily rate if they accompany you to class. Children must be supervised by an adult not participating in the class!*

American Red Cross Lifeguarding Certification Class

The purpose of the American Red Cross Lifeguarding course is to provide entry-level lifeguard participants with the knowledge and skills to prevent, recognize and respond to aquatic emergencies and to provide care for breathing and cardiac emergencies, injuries and sudden illnesses until emergency medical services personnel take over. **To enroll in the Lifeguarding course, you must be at least 15 years old before the last scheduled class session.** NYS identification will need to be provided on the first day of class.

To successfully complete the course, you must attend the entire course, participate in all skill sessions/drills, activities and scenarios, and demonstrate competency in all required skills and situations. The practice sessions will require some strenuous physical activity. You are encouraged to check with your health care professional before participating in the practice sessions. If you have a medical condition or disability that might prevent you from participating in the activities, or have questions about the course or being able to fully participate in the Lifeguarding course, please contact the instructor to discuss this before the course begins. Upon successful completion of the course, you will receive an American Red Cross certificate for Lifeguarding/First Aid/CPR/AED, valid for 2 years.

Fees: Residents: \$400 Non-Resident: \$450

This includes the course and the certification through the American Red Cross. If swimming skills aren't up to par with the American Red Cross standards on the first day, you will be dismissed from the course and given a full refund.

To Register:

Visit www.townofbabylon.com/parks to enroll online. **NOTE: If you don't already have an account, an adult over 18 must create the Parks website online account, then the child must be added to the account by uploading a birth certificate. To gain residency status, parents must upload a license and utility bill as well.**

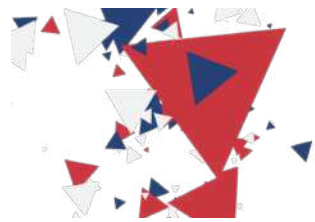

Also please note: Participants must have their own e-mail account. This will be the e-mail they will use with the American Red Cross for the entirety of their lifeguarding career. Parent or family e-mails are NOT accepted.

Pre-course work: After you register online, you will be provided with a link within 3 business days to create an American Red Cross account. The American Red Cross mandates students to complete a 7-hour online video course accompanied by questions. This can be done over multiple days. **Once you have completed the online video course, you will print the completion certificate and submit it on the first day of class.**

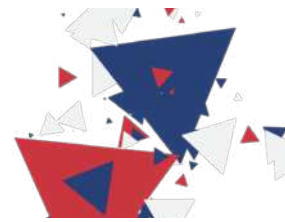

Instructor: If you have any questions about coursework or pre-test please email the program instructor at: toblifeguardcourse@gmail.com

Pre-Test: To participate in the physical portion of the course, you must be able to:

- Swim 300 yards continuously, demonstrating breath control and rhythmic breathing. You may swim using the front crawl, breaststroke or a combination of both but swimming on the back or side is not allowed. Swim goggles may be used.
- Tread water for 2 minutes using only the legs. You will place your hands under your armpits.
- Complete a timed event within 40 seconds.
- Swim 20 yards. Your face may be in or out of the water. Swim goggles are not allowed.
- Surface dive, feet-first or head-first, to a depth of 7 to 10 feet to retrieve a 10-pound object then return to the surface and swim 20 yards on your back to return to the starting point with both hands holding the object while keeping your face at or near the surface so you are able to get a breath. You cannot swim the distance under water.
- Make various types of saves on other classmates.
- Exit the water without using a ladder or steps.

Cedar Beach Golf Course & Disc Golf

The Cedar Beach Golf Course is a pitch-putt, Par 3, 18 hole golf course. Ideal for new golfers, it also affords experienced golfers an opportunity to improve their short game. The course is located on the oceanfront between Overlook Beach and Cedar Beach and is available for golf outings. Golf clubs and balls are on hand for rental. Open daily from May until October (weather permitting). For information, call the golf course at 631-321-4562.

Fee per round: \$7 residents, \$8 non-residents, \$5 senior citizens

Disc golf is one of the fastest growing recreational activities in the world, as well as a competitive professional sport. The game is played and scored by the same basic rules as traditional golf with players throwing discs along the course until "holing out" in a target basket on each hole. No reservation necessary, just show up and have fun tackling the Cedar Beach DISC Golf Course! Golf Discs are not available at the Cedar Beach Golf Course. Please bring your own. Call 631-321-4562 for more details.

Town of Babylon Parks Department 2nd Annual Art Contest

Supervisor Rich Schaffer, Deputy Supervisor Tony Martinez, Councilman DuWayne Gregory, and Legislator Tom Donnelly recently welcomed the winners of the 2024 Parks Art Contest to Babylon Town Hall.

The twelve winners were among hundreds of Babylon residents who entered their artwork into the contest, which was created by staff members Alexa Liles and Charley Johnson. Submissions were judged based on four different age categories, 7 and under, 8-10 years old, 11-19 years old, 20 and over.

Congratulations to all of the winners as well as all of the talented artists who participated in this year's contest! Thank you for using your talent to show off some of our beautiful local scenery.

A photograph of a community event held at a town hall. The building is a large, light-colored structure with a prominent arched entrance and a tower on the right. A large white screen is set up in front of the building, displaying a presentation. In the foreground, many people are seated in blue folding chairs, facing the screen. The scene is outdoors, and the overall atmosphere is that of a public gathering or meeting.
